AMENDMENT

In response to the Office Action dated October 3, 2002, please amend the above-identified application as follows:

IN THE CLAIMS:

Please replace claim 41 as follows.

41. (Amended) A grass-cutting head with a line, the head comprising:
a housing;
at least one spool placed in said housing and on which a line can be wound, said spool
including an anchor for the line, said anchor being arranged to be accessible from outside said
housing to enable the line to be connected to said anchor of said spool without taking said spool
out of said housing;
